To Whom It May Concern:

In accordance with AB 1627/1045 reporting requirements, we respectfully submit the 2018 Chargemaster data for Santa Clara Valley Medical Center.

This email contains:

- 1.) SCVMC Charge Master
- 2.) SCVMC Current Pharmacy Prices
- 3.) SCVMC AB1045 Reporting Information
- 4.) SCVMC Estimated Change in Gross Revenue

Blank prices may indicate the following:

- a. Miscellaneous code assignments. Pricing applied as appropriate based upon comparable procedure/surgical time.
- b. Cost based items paid based upon invoiced price. Price may vary by supplier.
- c. Reference Lab procedures. Tests sent out to a third party laboratory. Pass through price per invoice from the performing laboratory.
- d. Pharmacy/Supply shell records utilized for multiple items. Billed charges are calculated and populated by the Pharmacy and Materials Management systems directly to the account.
- e. Statistical items utilized for reporting purposes only.

Santa Clara County Board of Supervisors has approved a 5.20% price increase to charges in the facility Charge Description Master for Santa Clara Valley Medical Center, effective July 1, 2018.
